# QUALITY

We set the bar higher than by simply relying on Marble Score as a benchmark. Having said that, our Marble Scores are exceptional. Quality sits across everything we do, and we are ambitious enough to be industry leaders with a new mindset.

We'll do this by redefining and exceeding existing standards to new levels. Importantly, we'll continue to do things differently, push the boundaries, challenge existing thinking.

Marble score MB2+ and MB4+  
Also exhibits exquisite 5, 6 and 7+ scores  
Certified by third party audits  
Certified Grain Fed  
British and Euro breeds

## Supplier Declaration

At Portoro, we want to redefine special. Redefine exceptional. Redefine extraordinary.

We want diners to be delighted, restaurateurs to rave, critics to crave more.

When the cutlery rests on the plate after the last mouthful, there should be disbelief that anything could possibly be so perfect.

We're here to challenge, change and make a difference.
