Golden Dunes

WHO ARE WE

Golden Dunes is an Organization Structured to have the flexibility and versatility to keep ahead of local competition while keeping pace with the ever-evolving global business scenario. It is strategically positioned in the commercial hub of the Gulf, DUBAI.

Golden Dunes started off as seafood Company delivering fresh and frozen seafood products under the brand name of Sea Fresh. Today it has come a long way to be recognized as one of the leading importers, exporters and distributors of frozen food products. During this very short span of time it has put up their own processing plant under the name of Al Dana Meats Supply Factory in Sharjah which has advanced facilities, food safety and quality management system that ensures production of hygiene and good quality products in compliance with food safety specifications such as HACCP, aside from its regular training of its staff, It also has its own chemical & microbiological laboratory to ensure that the products meet the basic requirements to meet international standards.

Golden Dunes processes all kinds of specialty meat and poultry products under the brand name of Mr. Magic and Angus Grill. We create products according to customer's specification and deliver them chilled or Frozen. The factory is well equipped with latest machinery, production and freezing facilities thus meeting the necessary stringent regulations and we are further upgrading the facilities to ensure top class International standards.
